Description:

The U.S. Environmental Protection Agency (EPA), as part of the P3 Award Program, is seeking applications proposing to research, develop, and design solutions to real world challenges involving sustainability. The P3 competition highlights people, prosperity, and the planet – the three pillars of sustainability. The P3 Awards program is a partnership between the public and private sectors to foster progress toward sustainability by achieving the mutual goals of economic prosperity, protection of the planet, and improved quality of life for its people. The EPA offers the P3 competition in order to respond to the technical

needs of the developed and developing world while moving towards the goal of sustainability. Please see the P3 website: (<http://www.epa.gov/ncer/P3>) for more details about this program.
